- [Treasurer's Report](#) (Lindsay) - Slides
 - Election next year will include the Treasurer position.
 - We planned to run a deficit in 2019 but do not have one this year because Montreal money came in during 2019 and we are holding onto some income for Canadian tax purposes. Biggest expenditures last year was Fellows and then Sponsorships.
 - Budget for 2020 has all income from dues and none from the conference. We will end up with a surplus this year but that can be carried forward to next year's conference. Put sponsorships and fellows on hold.
 - Balances include a Euro account established this year.
